

MEMO

NEW JERSEY STATE DEPARTMENT OF ENVIRONMENTAL PROTECTION

TO Beatrice S. Tylutki, Acting Director, Solid Waste Administration
FROM John H. O'Dowd, Acting Chief DATE July 19, 1978
SUBJECT National Gypsum Property, Millington, N.J.

JUL 24 1978

Preliminary review of the plans submitted regarding the above mentioned project indicates that the proposed work will require the issuance of a stream encroachment permit.

Mr. Habek of my staff had previously contacted Mr. Coolick by telephone regarding the above.
